Secluded Lake Mitawan

What to bring - How to prepare for the trip

1. All your food and drinks. There are no grocery stores nearby. Shop at home or in Duluth or Two Harbors. The local bar has milk, pop, eggs, not much more

2. Linens. Bring your bed linens and towels.

If you choose the Maid Service, all linens are provided. This is an extra \$60 dollars

3. Drinking water if you have health condition: All cabin water comes from a shallow pump. We filter the water twice, once with a whole house filter and again at the kitchen sink with an ultra fine micron carbon filter. We drink and cook with this water. If you have any health conditions that would be of concern, please bring filtered drinking water of your own.

4. Bring a book to enjoy or peruse the large collection of picture books, fauna & flora books, hiking guides.
